

# BUILD A GRAPE BUNCH

Directions:

Color the parts of the grapes.

Then, cut out the parts of the grapes.

Next, glue the grapes together.

Grapes are known as nature's candy because of their sweetness.

Grapes are a good source of vitamin K. Vitamin K is good for your bones and helps with wound healing.

Did you know that raisins are dried grapes?

\*Grapes are a choking hazard and should be cut in quarters lengthwise for kids under 5.
